Dear

Welcome to Elite Express services where your entire shipping problem is made easy. You should expect a fast, convenient and environmental friendly way to ship internationally. I am Mr. Paul Ferguson the dispatch director, I will guide you through the shipment procedures of your promo winnings and be rest assured of a friendly transaction process.

I also urge you to keep whatever you are doing confidential because last week we arrested someone who came to our office with fake documents to claim one of the lucky winner's prize after through investigations we found out that it was his best friends prize, when we contacted the winner he was shocked and also ashamed because the man he thought he could trust and confide in betrayed him.

The below stated items are available inside your package which was officially handed over to us by the Promotion Department for onward delivery to you and it will be dispatched Via the below option of delivery that suites you.
